

Covering Letter

Dear Sir / Madam,

I have done 5 year Dual Degree B.Tech in Mining Engineering with MBA in Finance and Marketing, working in Adani Group & taking care of Business Development & Contract Administration for Coal Mining business.

My current key responsibilities include, but are not limited to evaluation of new MDO tenders, to ensure contractual compliance of contracts both operationally and financially, review of annual business plans and growth strategies, monitoring and minimize the Penalty of existing Mining Contracts, to maximize Revenue and Profitability of existing Mining Contracts.

I consider myself having progressive professional poised to contribute in an organization using most current technologies and collaborative brainstorming strategies.

I want to pursue a career in a company where my managerial & inter-personal skills can be utilized to achieve the objectives of the organization & which provides me an opportunity of continuous learning. I am a hard worker and learning is my ultimate goal.
